AIR CONDITIONING

Add-on A/C-installation	Apr. 84
Add-on A/C compressor (57)	Jul.87
Add-on A/C (57 in-dash) install	May 89/Mar.89
In-dash A/C 1955-56	May 90
In-dash A/C 6-cyl.	June 90
"Getting aired" air conditioning	Feb.83
HFC-134a Air Conditioning Installation	July 95
55-56 big block HFC-134a in dash A/C	Aug. 96
55-57 in dash A/C installation	July 03
5-7 vintage A/C & cross flow rad. install	July 05
5-7 factory A/C vent install	July 06

ALARMS

Burglar alarm installation	Feb. 80
----------------------------	---------

ANTENNA

Rear(single or dual) installation	Mar. 90
Original (1957 front & rear)-installation	Mar. 77
Replacement-installation	Feb. 82
57 rear antenna installation	Jan. 08

BATTERY

Original-tartops researched	Nov. 84
Taking care of your tar top battery	Nov. 92

BEARINGS

Original (front) installation	May 81
Original (rear) installation	May 83
Replacement (fr.) ball to roller conversion	Feb.83
Tapered roller bearings	Jan.79
Tapered bearing hub conversion	Dec. 02

BODY

Panels / body repair	Dec.76
Body openings-(55) tolerances & specs.	Aug.80
Door shimming & adjustments	Jul.77
Fender (front)-panel replacement	Apr.80
Fender (front) rust repair	May 93
Floor pan-panel replace	Aug 78 sept.89
Hood to cowl screen (55-56)	Nov.92
Inner/ outer rocker installation	Nov.90
Quarter-full panel(57)-installation	Jan.86
Sedan quarter panel installation	Sep.94
Sheet-metal "where do I start?"	Dec.90
Roof pillar (nomad)-repair & leading	Aug.77
Tail pan installation	Oct.90
Hood lock for your classic	Apr.81
Door repair and reskinning	March 96
Front End Seal Location	Dec. 96
Rear area sheet metal identification	Dec.97
Floorpan& brace area sheetmetal I.D.	Jan. 99
55 side stainless installation	May 02
Inside hood latch release kit install	Nov. 03
55-57 body mounts & shim install	Jan.04
55-57 Sheet metal installation	Jan. 04
5-7 front end sheet metal & seal install	Jan. 04
57 rear fin crown moulding installation	March 04
5-7 wagon tailgate hinge rebuild	June 05
5-7 elec. deck lid release kit	June 05
5-7 body mount install & shim	Oct. 05
Fiberglass inner fender installation	Jan.07
Wagon liftgate gas struts install	April 07
Polished alum. hood hinge brackets	Jan. 08
Power door locks installation	Sept. 08

BRAKES

Disc brake bolt-on conversion	Jun.82/Aug.82
Dual master cylinder-installation	Aug.82
Emergency brake rebuild	Dec.92
Four wheel disc brakes	Jan.93
Front disc brake updated	Aug.93
Brake lines- for dual exhaust cars	Apr.89
Original master cylinder-rebuild	Mar.82
Original system rebuild	Apr.82
Parking brake assembly diagram	Dec.77
Power booster (late model)-installation	Sep.84
Self adjusting-conversion	Dec.87
Treadle vac. master cylinder-rebuild	Apr.81
Anti-lock ABS brake system installation	Aug.94
That's the brakes	Dec.78
Project "X" car gets disc brakes supplemental section	
Disc brakes	June 75

Dual master cylinder conversion	May 01
Updated disc brakes	June 88
Updated dual master cylinder	July 88
Power brake hint - extra	Oct.94
Bleeding Dual Master Cylinders	May 96
Rear drum brake self-adjusting conv.	May, 98
55-58 big rotor power disk brakes	Dec.01
Disk br. power booster dual M.C.update	June 03
Dual MS conversion w/ GM prop valve	Dec. 03
Conversion	Jun.82/Aug.82
Four wheel	Jan.93
55-58 power disk brake upgrade	March 04
55-58 disk brake update	Feb. 05
55-64 rear disk brake update	July 05
57-64 disk br. w/14" wheels	April 06
Aftermarket booster installation	Oct. 06
5-8 Wilwood disk conversion	April 07
5-7 power brake pedal conversion	April 07
E brake warning light install	Aug. 07
Dual MC prebent lines install	Sept. 07
Adjusting brake proportioning valve	Nov. 07
Dual MC lines to GM prop valve	Aug. 08
Bleeding 1963 brake system	Sept. 08
Power booster w/dual MC install	Dec. 08

BULBS

Application chart	Dec.77
Finding the right bulb	Feb.94

CARBURETOR

Dual 4 barrel-identification	Apr.86
Four barrel-adjustment	Feb.77
Fuel injection system-exploded view	Oct.76
Oil bath air cleaner element replace	June 01

CLOCK

Electric-removal & cleaning	Mar.78
Digital-installation	Apr.93
Panel-installation	Mar.78

CLUTCH

Hydraulic clutch installation	Oct. 06
Hydraulic clutch update	Jan. 08

Cooling system

electric radiator fan install	May 07
5-7 radiator shroud dual fan install	July 07

COMPASS

Original-installation	Nov.77
-----------------------	--------

CONTINENTAL KIT

Original-installation	Sep.77
-----------------------	--------

CONVERTIBLE

Automatic top raiser instructions	Jun.77
Special issue	Jun.77
Top frame (exploded view)	Jun.77
Top pump replacement	Jun.77
Top pump, cylinders, hoses-restoration	Aug.86
Top colors	Jun.92
Top frame restoration	Mar.92
55-57 700-R4 install in convertible	Aug. 03

COLOR COMBINATIONS

Exterior paint	Aug.81
Interior paint	Aug.81

COWL TAG

How to identify	Aug.81
Cowl tag ID	Jun.94

DASH AREA

Cruise control installation	Sep..90
Digital dash installation	Apr.93
Instrument cluster (57)-restoration	Jul.86
Instrument cluster (55-56)-restoration	Feb.93
Speedometer repair / restoration	Apr.78
Speedometer (55-56)-restoration	Feb.93
Trim-restoration	Feb.78
Steering wheel-restoration	Sep.86
Padded dash-installation	May 82

55-56 custom instrument cluster install	Oct. 03
55-56 gauge upgrade	Nov. 04
5-6 instrument & clock upgrade	May 06
5-72 speedometer repair	July 07
57 custom gauge pod installation	Feb. 08

DOOR

Door hinge rebuild	Mar.90
Door shimming & adjustments	Jul.77
Panel restoration (G.M.)-55	Dec.79
Panel restoration-55 conv.	Mar.80
Weatherstrip installation	Jan.78
57 rear antenna & Door hinge repair	Mar.90
tri-five door assembly	April 02
55-57 Door assembly diagrams	May 03

DRAINS

Front & rear hoses-repair	Apr.83
---------------------------	--------

EXHAUST

Exhaust manifold I.D.	Dec.88
Aluminized Exhaust installation	Feb.95
Exhaust manifold refinishing	May 81
Turbo muffler, dual exhaust installatin	Oct. 03
5-7 Dual exhaust w/ 21/2" rams horn man.	Oct. 04
Dual turbo exh. with cross pipe	Nov. 06
Dual turbo exhaust install	Aug. 07
Exhaust header 02 sensor install	March 08

ENGINE

Air cleaner-identification/restoration	Dec.89/Sept.81
Big block-installation	Jun.91/Jul.91/Aug.91
Big block/4 speed installation	Feb.92
Disassemble for restoration	May 86
Fire wall forward detail	Jul.89/Aug.89
Fuel injection facts	Nov.82
Fuel system-troubleshooting	Mar.89
Hardened valve seats-unleaded fuel	May 92
Original-block stampings, all #'s	Aug.81
Original 1956 dual fours-identify	Nov.91/Dec.91
Short block to complete engine-assembly	May 84
Small block side mounts-installation	Mar.91
Spark plug wires-(V-8)-identification	Jan.91
Tune-up	Sept.92
Radiator restoration	Mar.88
Water pump-rebuild	Jan.89
6 cyl. spin on oil filter conversion	July 93
Rear main bearing and seal replacement	Jan.94
Electronic ignition installation	Feb.94
Late model V-8 and auto. trans. installation	Jun.80
Update oil bath air cleaner	Oct.83
55-58 2&4 barrel air filter upgrade	Jan. 05
Upper radiator hose (57- 6 cylinder)	Jan.84
Fan shroud - installation	Jan.84
"Keeping our cool" radiator manufacture	Aug.86
55 power pack engine detailing	July 89
MSD install (multiple spark discharge)	March 95
Big block update!	July 96
Neoprene rear main seal conversion	March 97
Engine starter plate	Sept.97
Remote starter solenoid	Oct.97
Big block installation update	Sept 98
Cruise control installation	Feb. 99
A/c, alt. power steering bracket options	May 01
55-57 tubular core support installation	Aug. 01
55-57 electronic distributor conversion	Sept. 01
serpentine pulley & bracket system install	Jan. 02
V8 to 6cyl. radiator relocation kit install	Feb. 02
Proper starter installation	Aug. 02
Engine starter mounting plate install	Sept. 02
Small block side mount installation	Sept. 03
Cooling that classic Chevy	May 04
55-56 V8 starter plate install	June 04
55-58 4brl. oil bath element upgrade	July 04
55-57 radiator relocation	July 04
55-72 high energy ignition installation	Aug. 04
Neoprene rear main seal conversion	Dec. 04
55-57 cross flow radiator conversion	Jan. 05
55-57 clutch fan conversion	Mar.05
55-57 S.B. side engine mounts	Mar. 05
5-7 header/st. box clearance solution	May 05
5-7 st. linkage/oil pan clearance	June 05
55-72 sm. dia. HEI dist. install	Dec. 05

57viper Tech article library DEC. 1974 THRU Dec. 08

56-67 V8 oil filter conversion	Jan. 06
5-7 sm. block side mounts install	Jan. 06
5-7 BB vacuum/pressure diagnosis	Feb. 06
55-72 hose clamp sleeve install	Feb. 06
55-72 gear starter & elec. ignition diag.	July 06
5-7 remote master disconnect	July 06
5-7 frontrunner installation	July 06
5-7 elec. cooling fan controller	Sept. 06
5-7 Big block side mount install	Sept. 06
5-7 SB LS-1 installation art. 1	March 07
one piece pan gasket install	May 07
5-72 serpentine belt system	June 07
5-7 radiator installation	March 08
Pertronix HEI installation	April 08
Short H2O pump alt. bracket install	July 08
SB cylinder head identification	July 08
SB side mounts w/ Ecklers headers	Sept. 08

FLIPPERS

Hardtop flipper repair	July 85
------------------------	---------

FLOOR PAN

Floor insulation installation	Sept.86
Front - installation	Oct.89
Rear - installation	Sept.89
Replacement	Aug.78

FRAMES

Identification	May 91
VIN's	Feb.91
55-57 cross member replacement	Jan. 01

FRONT END

A-arm bushing - installation	Jan.88
Anti-sway bar - installation (modified)	Jun.85
Anti-sway bar - installation (original)	Feb.89
Coil spring compressor / how to make	Feb.82
Complete rebuild	May 81/ Nov.88
Dropped spindle installation	Jan.92
Spindle replacement	July 76
2 1/2"lowering coil spring installation	May 97
Tubular upper A -arms	July 97
Coil-over shock conversion kit	July 98
2" drop spindles	Aug. 98
Lower tubular A-arm installation	July 99
Suspension rebuild complete pt. 1	Nov. 03
Suspension rebuild complete pt. 2	Dec. 03
Filler panels for stock core support	Nov. 06

FUEL INJECTION

Exploded view	Oct.76
Facts and numbers	Nov.82
Identification / serial numbers	Jun.86
57 Corvette fuel injection R.P.O. 579	June 86

FUEL SYSTEM

Hardened valve seats - unleaded fuel	May 92
Lines - installation for dual exhaust cars	Apr.89
Trouble shooting (gauge & sending unit)	Mar.89
Low fuel warning light module	April 99
55-57 fuel tank & sender identification	Oct 00
56-57 gas filler neck check valve	Jan. 05
55-64 fuel gauge/sender diagnostics	Mar.05

GENERATOR

Alt. conversion 57 w/internal reg.	Apr.83
Alternator conversion / wiring (updated)	Aug.90
Original - identification & restoration	Sept.91
Original rebuild	Dec.81
Alternator for 6 cylinder engine	July 83
55-57 generator to Alt. installation	Feb. 04
55-72 one wire self exciting alt. conv.	July 04
55-72 charging sys. troubleshooting	Sept. 05

GLASS

Back glass (sedan)-installation	Nov.80
Back glass (nomad) - installation	Dec.86
Power window installation (after market)	Jul.90
Power window conversion, door	May78/Apr78

Sedan side glass installation	Oct.86
Sedan quarter window area - restoration	Feb.90
Side glass (Hdtp/conv.) - installation	Sept.85
Side glass (wagon) - installation	Feb.82
Vent window restoration	Sept.82
Wagon side glass installation	Feb. 82
Window channel (sedan) - installation	Sept.83
Windshield - installation	Aug.83
Front door windows	Feb.75
Vent window assm. restoration	June 95
Hardtop/Convertible Glass Setting	Aug. 95
Windshield & Backglass installation	Sept. 95
Power window installation 55-57	July 01
5-7 2dr. HT side glass install	Feb. 04
5-7 4dr. side glass & whisker install	Feb. 04
55-64 power window conversion	Sept. 04
5-7 vent window latch install	Dec. 05
5-7 front & rear glass install	Feb. 06
Sedan whisker strip install art. 4	Feb. 07
convertible 1/4 window install/adj.	April 07
Window roller installation	Dec. 07

GRAVEL SHIELDS

Original (1955) - installation	July 82
---------------------------------	---------

GRILLE

Exploded views -part numbers	Dec.75
Horizontal slat (1955) - installation	May 82
Tubular grill installation	May 99
56 Grille installation	June 06

GROMMETS

Location / explanation / CCI part numbers	July 84
Grommets, bumpers and plugs	June 96

HEADLIGHTS / LIGHTS

Original headlight identification	July 92
Backup light socket (56)	Jan.81
Backup lights for 4-speed setup	Dec.82
Test light	Oct.83
Warning light (radiator support)	Jan.81
Generator light (we've checked everything)	Feb.94
55-57 headlight bucket identification	March 01
L.E.D. tail light conversion 55-57	Nov. 01
Halogen composite headlight update	Feb. 03
55-57 L.E.D. tail lamp upgrade	Aug. 04
55-57 LED third brake lite install	Feb. 05
55-72 Delta headlight install	Aug. 05
5-7 courtesy light w/ delay module	Aug. 06
5-7 lighted vanity mirror install	Aug. 06

HEADLINER

Original (Hdtp) - installation	Sept.81
Original (Nomad) - installation	Dec.80

HEATER

Control levers -repair / replacement	Nov.78
Control valve - installation	Nov.83
Restoration (55-56)	Nov.87
Installation (55- 56)	Nov.76
Heater & defrost (57)	Jan.77
Late model heater installation	Aug.80
New (57) AC/heat system installation	May 89
55-72 Electronic heat control valve	Feb.05

Horns

replacement horn install	June 07
--------------------------	---------

INSURANCE

Guidelines	Nov.79
"What is available?"	Nov.83

INTERIOR

Carpet (55-56) -installation	Aug.87
Carpet (57) - installation	Feb.91
